"U.S. Military Day" for Students Interested in the Armed Forces and U.S. Service Academies

This Saturday, March 27, my office, in conjunction with the Nebraska National Guard, will host a "U.S. Military Day" for high school and college students at the Nebraska Air National Guard Base in Lincoln.

The "U.S. Military Day" is an opportunity for students and their parents to learn more about military opportunities, particularly the nomination process for U.S. Service Academies. Information regarding National Guard, Reserve, the Reserve Officers Training Corps (ROTC), and other military enlistment options will also be presented.

Representatives from the Army, Air Force, Navy, Merchant Marine, and Coast Guard will be on hand to answer questions and provide information. Special military equipment and aircraft will also be on display as part of the event. Notices of U.S. Military Day have been distributed to all high schools in the First Congressional District.

U.S. Military Day

Saturday, March 27, 2010

9 am to 12 noon

Nebraska Air National Guard Base

2420 West Butler Avenue

Lincoln, NE

Who Should Attend:

Any Nebraska High School or College Students Interested in Military Opportunities

To register, please contact my Lincoln office at 402-438-1598 or toll free at 1-866-725-5255. This should be an enjoyable morning for young people interested in the numerous opportunities of military service. I hope you can attend!
