LINCOLN, NE—Congressman Jeff Fortenberry will conduct a walk-through of the Kawasaki Motors Manufacturing Corp. facility in Lincoln on Wednesday, August 4. Kawasaki employs approximately 1,300 at its Lincoln site.

The Lincoln Kawasaki facility was recently awarded a contract to produce Metro rail cars for the Washington, D.C.-area Metrorail system. All-terrain vehicles, personal watercraft, utility vehicles, recreational utility vehicles, and wheels for ATVs and utility vehicles are also manufactured by Lincoln's Kawasaki Motors Manufacturing Corp.
